# **Airbnb Turnover Cleaning Checklist**

Room-by-room, so you never miss a spot.

Print this. Hand it to your cleaner. Check every item every turnover. Consistency is what turns a good clean into a five-star clean.

Want every turnover handled automatically? [betweenguests.com](https://betweenguests.com)

# KITCHEN

---

- Wiping down all countertops and backsplashes
- Cleaning the inside and outside of the microwave
- Wiping the stovetop and oven front
- Cleaning the inside of the fridge (removing any left-behind food)
- Running or emptying the dishwasher
- Washing and putting away any dishes left out
- Cleaning the sink and faucet
- Wiping down cabinet fronts and handles
- Emptying the trash and replacing the bag
- Sweeping and mopping the floor
- Restocking dish soap
- Sponge
- Paper towels
- Trash bags

# BATHROOMS

---

- Scrub and disinfect the toilet (inside, outside, base, and handle)
- Clean the shower or tub (walls, door, faucet, drain)
- Wipe down the sink and countertop
- Clean the mirror
- Wipe cabinet fronts and handles
- Replace all towels with fresh folded sets
- Restock toilet paper (at least one backup roll visible)
- Restock soap
- Shampoo
- Conditioner
- Body wash
- Empty the trash and replace the liner
- Clean the floor (especially corners and behind the toilet)
- Check the exhaust fan for dust

# BEDROOMS

---

- Strip all bedding (sheets, pillowcases, duvet covers)
- Inspect the mattress protector for stains and replace if needed
- Make the bed with fresh linens (tight hospital corners or neatly tucked)
- Fluff and arrange pillows
- Wipe down nightstands
- Lamps
- Headboard
- Dust dressers and shelves
- Check under the bed for left-behind items
- Empty and wipe out drawers and closet
- Vacuum or mop the floor (including under the bed)
- Check that all lamps
- Outlets
- Chargers work

# LIVING AREAS

---

- Vacuum upholstered furniture (check between and under cushions)
- Wipe down all surfaces (coffee table, side tables, shelves)
- Clean the TV screen and remote controls
- Dust light fixtures and ceiling fans
- Straighten books
- Games
- Decor
- Vacuum or mop the floor
- Clean windows and glass doors (especially at kid-height)
- Check all light bulbs and replace any that are out
- Remove any personal items left by the previous guest

# ENTRYWAY AND OUTDOOR AREAS

---

- Sweep or mop the entryway
- Clean the front door (inside and out)
- Wipe door handles and light switches
- Shake out or replace the doormat
- Sweep the porch
- Patio
- Or balcony
- Wipe down outdoor furniture
- Empty outdoor trash cans
- Check exterior lighting

# LAUNDRY

---

- Wash all bed linens and towels on a hot cycle
- Dry thoroughly (damp linens smell musty fast)
- Fold and stage linens for bed-making
- Clean the lint trap
- Wipe the washer and dryer exteriors
- Leave the washer door open to prevent mildew

# FINAL WALKTHROUGH

---

- Thermostat set to the right temperature
- All lights off (except any welcome lights)
- All doors and windows locked
- Blinds and curtains set to a welcoming position
- No cleaning supplies left out
- Wifi router working (test the connection)
- Keys
- Remotes
- Guidebooks in the right spot
- A general smell check (no cooking odors, mustiness, or strong cleaning product scent)
- Take photos for your records
